PROFESSIONAL EXPERIENCE

PINTEREST INC. – San Francisco, CA

Fraud Strategy Consultant

September 2018- Present

- ❖ Interacting with customers to address customer issues with adding credit cards to their profile
- ❖ Review credit card usage on the platform and review new advertiser accounts for fraud and spam
- ❖ Report any trends or anomalies noticed & suggest ideas which can be implemented to catch frauds & reduce chargeback
- ❖ Leverage SQL for data analysis to support and execute strategies to detect fraud, account takeovers and payment anomalies

POSTMATES INC.– San Francisco, CA

Senior Manager, Trust & Safety/ Legal Operations/ Insurance Solutions

February 2016 – April 2018

Programs Lead, Strategic Risk & Payment Operations

June 2014 – February 2016

- ❖ Founding architect and lead for Postmates' Risk Team – oversaw insurance, fraud, payment operations, and security on the Postmates platform
- ❖ Founding architect for the Postmates Trust & Safety program- provided guidelines and process for the entire marketplace to ensure the safety of all users and to protect the company from all losses
- ❖ Liaised with internal and external counsels and TPAs on workers' compensation, unemployment, disability, civil, and other general risk areas
- ❖ Minimized payment fraud with risk initiatives created by using a combination of in-house fraud rules and tools provided by payment and fraud-detection vendors and provided insights on trends for chargebacks, and failed payment fraud
- ❖ Created internal tools to mitigate fraud exposures, and monitor quality of fleet monetary exposures with SQL and BI tools
- ❖ Investigated on all escalated tickets including law enforcement and third-party data requests
- ❖ Managed various legal projects around garnishments, unemployment, workers' compensation, tax compliance and other finance related projects

SIGFIG WEALTH MANAGEMENT LLC. – San Francisco, CA

Asset Management Operations, Product Launch

February 2014 – May 2015

- ❖ Assisted with day-to-day operations with launch managed investment product
- ❖ Worked with brokerage documents - new account applications, limited power of attorneys, asset transfers, and letters of instructions and sending them out to institutional broker-dealers
